

# Run Longer. Run Hotter. Run Faster. Metpump®.

The longest lasting, most productive lining.

## LOWEST POROSITY, HIGHEST PRODUCTIVITY.

Metpump® monolithic linings have the industry's lowest penetration rates—even lower than brick—but with no joints. Your lining will last longer and perform better, allowing you to increase output, reduce downtime and minimize replacement cost.

## METPUMP® PERFORMS:

- Keeps process out of lining, no buildup
- Industry's best corundum resistance
- Longest lifecycle = less downtime
- Unique non-wetting properties
- Cleaner operation, easier alloy changes
- 30-50% faster dryout, shorter repairs
- Flexible—cast/pump/spray

## PROVEN TECHNOLOGY & VALUE

Metpump® maximizes furnace availability and productivity while delivering significant savings.

Let us prove it.
